- 1) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that cited prior art does not show an apparatus for continuously reeling a pulp sheet, said apparatus having a horizontally adjustable holding device, that includes a plurality of guide units, each guide unit extending horizontally from a first end to a second end, first and second deflection rolls rotatably mounted at the first and second ends of each guide unit, each of the deflection rolls having a vertical axis, and a plurality of vertically arranged endless belts, one of the endless belts rotatably running around the first and second deflection rolls of each guide unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

- 2) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone number is 703-305-4522.
